

CONNECTION TEAM REPORTS

DECEMBER 2008

Berlin High FCCLA

Reporter: **Ryan Albert**

The month of December went vary well here at Berlin high School. We decorated Christmas trees at Coos County Nursing Home and on a different night helped with the tree lighting ceremony. We also had our installation of the officers. Many parents, school administrators and city council people attended.

Our Feed the Children project is going well. Two of our projects are taking place in the first two weeks that we return to school in January. We also sold ornaments of St. Anne's Church and some of that profit went toward our Feed the Children project. We sold fudge in our local community and earned money to purchase gifts for nine people. Everyone had so much fun participating in making it. Lindsey Edwards is also hosting a spaghetti dinner for all members and new members we hope it goes well. I would also like to wish everyone a happy new year.

Pinkerton Academy FCCCLA

Reporter: **Katie Kelly**

One of Pinkerton Academy FCCLA's main upcoming events is preparing for Spring Conference. At our last meeting we showed a slideshow describing all the events to spark an interest in the group. Soon some of our members will be picking events and preparing for them.

At one of our previous meetings in December we brought in our gifts for the TIPS (Teen Information for Parenting Success) children. Some of the group baked cookies for the TIPS party while the others wrapped books for the children.

PA FCCLA's holiday party was cancelled due to the ice storm and lack of school, but we are currently thinking about having a Valentine's Day party instead. We are also working on making plans for the upcoming FCCLA week and deciding if we are making Valentine's Day cards for the local nursing home.

We raised a total of \$2,054.31 for Feed the Children so far this year.
