

SWIMMING POOL PROCEDURE

1. Your chapter has been given one-(1) pool tickets for each chapter member attending.
2. Your chapter may not be able to swim all together at one time because of safety regulations and fairness to all the members attending the conference.
3. Students wishing to swim need to trade one of your tickets for a times ticket at the pool registration table.
4. The timed ticket must be given to the pool attendant during your selected swimming time. Don't be late or you will be using up your swimming time.
5. Make sure you do not sign up for swimming at a time that you have other obligations.
6. **Reminder:** You must wear a cover-up and footwear to and from the pool.
7. As requested the time limit has been increased.
